

IAPSM YLNC 2025 Goa

YOUNG LEADERS' AMBASSADOR AWARD 2025

Theme : "Digitalisation, Data and Decisions: Youth at the Forefront of Health Tech"

An excellent opportunity for young leaders dedicated to health, who have demonstrated commitment, innovation, and impact in their public health efforts.

Entrepreneurship

To reward innovative ventures that improve public health.

What we are looking for:

- Original ideas or startups with proven public health impact.
- Scalability and sustainability of the work.
- Participation in mentorship or networking programs.

Community Service

To honor impactful service to communities and public health advocacy.

What we are looking for:

- Projects that show measurable improvement in community health.
- Strong community engagement and volunteer mobilization.
- Collaboration with organizations for greater impact.

Environment

To recognize initiatives promoting environmental health and sustainability.

What we are looking for:

- Projects or research addressing environmental health issues.
- Green initiatives with community participation.
- Activities that are replicable in other settings.

Digitalization & Health Technology

To celebrate the use of digital tools and technology for public health improvement.

What we are looking for:

- Innovative use of apps, AI, telemedicine, or data systems.
- Projects that improve access, quality, or efficiency in healthcare.
- Demonstrated measurable outcomes through technology use.

Eligibility criteria : 1. Registration for the conclave is **MANDATORY**
2. Participants upto 40 years of age
